Comments Details

Commenter Type:	Member of the Public
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	- Highway Access and Parking
Comments:	Please can we address the number of Volvo customers cars that are parked in Palatine Road. The premise has ample room to park there customers cars on their own property. We had the same problem when it was a Skoda garage. It makes it difficult to get in & out of driveways due to lack of vision. There are white lines on Palatine Road which apparently are not enforceable (pointless then) and Volvo just dump customers vehicles along the road taking up spaces for elderly visitors and the disabled.

Kind regards
