Hannah,

Please find attached dwg (31)001D showing aforementioned window to east elevation removed to allow consent to be granted.

I look forward to hearing from you.

Kind regards,

Nathan.

Hi Nathan,

Just to let you know I am only in the office til 12:30 tomorrow to deal with the decision. I am on leave next week so will need to deal with this before I leave tomorrow.

If you could get back to me as soon as you can.

Thanks

Hannah

Dear Nathan,

The side window would require readvertising. Therefore we could not determine the application until this is carried out for 14 days.

If you remove it from the plans I will be in a position to determine the application.

Please could you also confirm the window frame details as we discussed last week.

I look forward to hearing from you.

Thanks

Hannah

Yes, please let me know. My client may not want the hassle of the readvertisement and so may wish to remove this if it will cause problems.

I am reviewing my email over the next few days inspite of the out of office, so please feel free to get in touch.

Regards,

Nathan.

Dear Nathan,

Thank you for the amended plans. I have a slight concern over the side obscurely glazed window as this is an amendment that will affect the neighbour who objecting and feel that this may need to readvertised to allow the neighbour to consider this change.

I will discuss this with my team leader and let you know.

Report is otherwise all completed and decision ready to issue.

Will be in touch.

Hannah

Subject: 1204 - 12 Norman Crescent - updated drawings

Hi Hannah,

Please find attached updated plan and elevations to cover recent amendment as requested.

Please note that since the kitchen and lounge have swapped places, one of the windows on the south elevation felt incorrectly proportioned, having been designed to go over a kitchen worktop. As such, this window has had its cill lowered to make it more appropriate for a lounge setting.

The client has also requested a high level horizontal slot window be added to the east elevation of the extension. This has also been shown in the current drawings and I have noted that it should be obscured glazed so as to avoid any overlooking / privacy issues.

I look forward to receiving the planning consent shortly, but please do not hesitate to contact me should you have any queries.

Kind regards,

Nathan Chilvers.
