WORTHING SOCIETY CONSULTATION RESPONSE

AWDM/1037/23 | 165 HEENE ROAD WORTHING WEST SUSSEX BN11 4NN
Application: Side/rear single storey extension

Thank you for requesting our comments regarding the aforementioned application. The building is located within the Shakespeare Road Conservation Area.

I have now had the opportunity to discuss the application with our Heritage Team. We note that the materials for the walls, windows and roof tiles are compatible with the main building and, although the footprint is larger, it will not have a detrimental effect on the conservation area. (We note that previous approvals for a two-storey extension were given under AWDM/2284/21).

I am therefore pleased to advise you that we have objection to this present application.

Yours sincerely
