Address: Old Mill Court, 33 Mill Road BN115DS.

I reside at no. 9 at the above address. The Turner's Oak tree in question was reduced already 8 years ago.
It is a beautiful but a very, very large tree.
Is it possible the site could be inspected with a view to reducing the tree by more than 2 metres. The tree is in the middle of the site, behind the buildings facing out onto Mill Road, and it completely dominates the communal area.

Regards,
M N Nelson
