Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Overdevelopment
Comments:	I am very concerned that this will lead to access issues, drainage issues, overcrowding and the loss of wildlife habitat. If it goes ahead, it will set a precedence when we should be protecting family homes and gardens and not allow new builds to encroach upon the space. It could be the start of a major access issue in/out of Cross Road which is already a very busy road with only one way access when cars are parked
