Dear Sir/Madam,

Proposal: Application for permitted development for prior approval for change of use from Class E at first and second floors to 9 No. residential units (Class C3).
Site: NOTICE/0011/23: - 148 - 152 Montague Street, Worthing, West Sussex, BN11 3HH.

Thank you for your letter dated 12/07/2023.

Further to your recent prior approval request for the above site, Southern Water have the following observations to make in respect of the proposed development:

- Southern Water requires a formal application for a connection to the public foul sewer to be made by the applicant or developer.

- In situations where surface water is being considered for discharge to our network, we require the below hierarchy for surface water to be followed which is reflected in part H3 of the Building Regulations. Whilst reuse does not strictly form part of this hierarchy, Southern Water would encourage the consideration of reuse for new developments.

- Reuse

- Infiltration

- Watercourse

- Storm sewer

- Combined Sewer

Guidance on Building Regulations is here:
gov.uk/government/publications/drainage-and-waste-disposal-approved-document-h

Southern Water Services Ltd, Registered Office: Southern House, Yeoman Road, Worthing, West Sussex, BN13 3NX Registered in England No. 2366670

- It is possible that a sewer now deemed to be public could be crossing the development site. Therefore, should any sewer be found during construction works, an investigation of the sewer will be required to ascertain its ownership before any further works commence on site.

- Southern Water requires a formal application for a connection to the public water main to be made by the applicant or developer.

For further advice, please contact Southern Water, Southern House, Yeoman Road, Worthing, West Sussex, BN13 3NX (Tel: 0330 303 0119).
