Attention Mr Jeremy Sergeant

Thank you for your letter advising me of the above referenced application.

In this instance I have no objection to the removal of this tree. Previous harsh pollarding has rendered it skeletal.

and it looks unlikely to recover in the foreseeable future.

I assume that Council's Arborist Mr Peter Whish will be involved and that his recommendations will be

taken into account.

As an aside --- I am heartened that your web site shows that you are imposing additional TPO's in Adur.

With the amount of building going on in the area, it is essential that some trees are protected from the builder's chain saws.

Yours faithfully

John McCready

Yours faithfully

John McCready
