i live next door at no 43.

The work would be in very close proximity to my bungalow, as near as 2ft away. Work would involve disturbance by workman on my property.
The noise would be intolerable esp as it is 2ft outside my living room, I am a person with [redacted]..the concrete dust alone would damage my health.
I am objecting on noise level
and onnmedical grounds to myself because of noise level and dust level
