Dear Mr Peck,
Once again i find myself recieving a letter regarding planning permission for 82 High Street Shoreham!
As before i would like to object to this for the following reasons,firstly and most importantly loss of natural daylight!!!
Secondly the privacy aspect,as this new building would overlook the property i have lived in for the past 8 years!
I am also concerned if granted how this would affect me regarding sleep as I work nights and tge disruption would be immense, followed by the result of my first and second concerns!
Yours Faithfully
S A KING.
80A HIGH STREET,
BN43 5DB
