Hi Hannah,
As you maybe aware we wish to express our concerns regarding the proposed development of 51 Old Fort Road. It would appear that some of the issues raised at the last meeting remain un addressed. Whilst the top floor of the proposed property has been moved back somewhat,the space has been filled with a large balcony,resulting in a similar street scene to the previous plan.
Worst still the ground floor bay windows appear to have been moved closer to the road. Please correct me if I am wrong but this would appear to be in defiance of the planning committee members concerns. While we are not adverse to the development per se of 51 Old Fort Road,we remain very concerned regarding what we consider to be an over development of this site,in particular the building line. We believe it is still to far forward and to large. Regretfully we therefore wish to object to the current proposed plans.
Regards,Mark and Sharon Gibson.
