Hi Steve

Thanks for accompanying me today.

Please revise the plans to show what is actually built. As I understand it that is a door in the east side and the canopied ends removed. I did check a building measurement, just the difference in ground level between 33 and 35. Please confirm the external measurements of the building on the revised plans.

Many Thanks.

Dear Mr Berry

I need to visit this site in connection with your planning application. Please advise when is a good time or telephone me on the number below to arrange.

Kind regards.
