To: Gary Peck <gary.peck@adur-worthing.gov.uk>

Hi Gary

We have no objections in principle to the above application.

Please can you add the cautionary contaminated land condition to any permission granted.

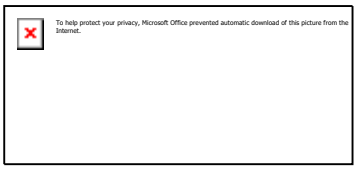

Furthermore, as some of the residential property backs onto the builders yard for Gardener and Scardifield, please can the applicant arrange for a BS4142 noise assessment to be undertaken as they will be the agent of change in this situation.

Kind regards
