John - my phone is working now if you need to ring me. I understand that you are forwarding further plans. However, you ought to know that we are unable to accept further/amended plans with these application as there would not be enough time to re-consult neighbours. So you will have to withdraw this current one and re-submit with all the plans so please put that in writing to Elaine. Thank you.

To: John Wright <johnforplans@yahoo.co.uk>

AWDM/0886/18

Householder application for permitted development for prior approval for single storey extension to rear of property measuring 6m from rear wall of the original dwelling, maximum height 3.7m and height of eaves of the extension 2.7m.

John

Please can you respond to the objection received to the above which is available to view online; the neighbours at No.17 appear to think that there will be a window facing them but only a block plan has been provided. Are you able to provide a more detailed plan with elevations please? Problem is I do not have much time as it is due by 27.07.18. Thank you.
