Mr P Barnett

Dear Sir,
I wish to lodge my objections to the proposed building on 183 Old Fort Road, Shoreham By Sea.
The same request was made in planning application 0122/14 and 1711/16.
My objections for those applications still stand for this application and the reasons stated by the council for refusal of the previous applications are still valid for AWDM/0246/17.
I suggest you come to the site and look at how ludicrous the planning application is.

Yours faithfully

Mrs Y Shute
