Commenter Type:	Neighbour
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	- Highway Access and Parking
Comments:	Hi, I own the neighbouring property at 92 Abbey Road with my brother. My 87 year old mother lives at the address. Whilst we have no objection to the development, we wish it to be made clear that the driveway between the 2 properties is not a shared drive and that the trades working on the development should not park on the driveway for number 92. Previously trades have done so and blocked access to the driveway. We are concerned about damage to the block paving of the driveway that has not been constructed to support large trades vehicles. Thanks. John Hunt

Kind regards
