Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	- Loss of General Amenity - Trees and Landscaping
Comments:	I have been made aware that the Environment Agency maybe abdicating responsibility for the overall appearance of the bank alongside the towpath section of this phase of works being carried out. Promises about replanting and the return of wildlife are being watered down or dropped. I do hope this is not the case and that we are not going to be left with a muddy bank which will then fill with weeds.
