Dear Mr. Porter,

I spoke to you on the phone earlier in the week about our concerns regarding the proposed rear extension to 31 Winchester Road. Our ground floor flat is adjacent to it, and our kitchen / dining room has 2 small windows looking out towards it, over the wall. The proposed development would curtail the amount of light coming into our room, especially the morning sunshine.

We've been living in Flat 2, 33 Winchester Road for 24 years!!! Our little kitchen / dining room is the heart of our modest home. We spend much of the day in there, and often entertain friends in there for meals. This flat may not be much, but it's our beloved home, and we hope it will be for the rest of our lives.

We're sorry to object to the plans - we have no personal problem whatsoever with our neighbour, who is very nice - but we just can't bear the thought of looking out onto brick where at the moment there is at least some sky visible and a sense of space, in the concrete jungle.

The Victorians designed houses for the benefit of all - when we change their original plan, there's a price to pay - and in this case it's us who will be paying!

Thank you very much for listening to our concerns.

Kind regards, Kriya Saraswati (Mrs.)

P.S. We're having difficulty sending the mail to you somehow - so we'll send the photos separately!

Hopefully you've received our email and (separately) photos - we had a lot of mail delivery errors! If not, perhaps you would let me know. Thanks very much, Kriya
