Commenter Type:	Neighbour
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	- Design - Trees and Landscaping
Comments:	As a neighbour to yew tree house we look directly onto the courtyard/driveway where the building is situation. I would like to confirm our support for the application as the building has been finished sympathetically to the main house and flint wall to which it is part of. It is not too high as to overlook or obsure light to our property. It looks as if it's always been there.
