Dear Mr. Porter,

Thank you for your letter of the 25th April.

After reading the contents - I was horrified to learn of the new buyers' intentions of altering the design of a bungalow (12 East Meadway, Shoreham Beach) into a 3 storey residence - part of which would be built at the bottom of my garden!

I have already paid a lot of money to have a wall built all around my Southern garden for privacy.. this would be completely obliterated!!

I anxiously await your reply.

Yours Sincerely [redacted] (Mrs)
