To Development Management Section.

I am writing in response to the letter Sent to us Dated 12th August 2015 Concerning the Proposed plans for Rooms in Roof Front Dormer (North) at NO 14, Ingleside Crescent Lancing West Sussex BN15 8EN.

We live opposite at NO 7, we already have a front Dormer. Which is our Daughters Bedroom. We are not happy about being overlooked and also loss of Privacy for our Daughter,

Also while the building work would be Carried out the owners at NO 14. + Builders would park outside ours and our neighbours Property there are limited Spaces and problems for Parking at Normal Times. this would

Increase the problems.
We hope you will take our
Concerns into Consideration.

Yours Sincerely.

MR. MRS CRICHTON.
