

WEST SUSSEX COUNTY COUNCIL CONSULTATION

TO:	Adur & Worthing Councils FAO: Marie O'Keeffe
FROM:	WSCC – Highways Authority
DATE:	21 April 2026
LOCATION:	93 Manor Road, Lancing, BN15 0HG
SUBJECT:	AWDM/0382/26 Ground floor front extension; raising of the roof ridge to create a first floor level, with barn ends and rear dormer with cladding.
DATE OF SITE VISIT:	n/a
RECOMMENDATION:	Advice

This application has been dealt with in accordance with the Development Control Scheme protocol for small scale proposals.

This application is for a ground floor front extension; raising of the roof ridge to create a first-floor level, with barn ends and rear dormer with cladding. The site is located on Manor Road, a C-classified road subject to a speed restriction of 30 mph. Following an inspection of the application documents, WSCC in its role as Local Highway Authority (LHA) raises no highway safety concerns for this application.

No alterations are proposed to the existing access arrangement. The proposed development is not anticipated to give rise to a material intensification of use of the existing access point.

A single-bay garage will be lost as part of the proposals. However, it should be noted that the existing garage does not meet the minimum internal specifications for single-bay garages of 3m x 6m as outlined in Manual for Streets (MfS). Therefore, the LHA would not consider the existing garage for parking provision, as it is likely too small to accommodate modern sized cars. It is not unreasonable for the LHA to assume the existing garage may be being used for other purposes, such as storage.

As such, no concerns are raised regarding loss of existing parking provision. An existing drive to the front of the property is to be retained with provision for two cars.

The LHA does not consider that this proposal would have an unacceptable impact on highway safety or result in 'severe' cumulative impacts on the operation of the highway network, therefore is not contrary to the National Planning Policy Framework (paragraph 116), and that there are no transport grounds to resist the proposal.
