For the attention of Mr G. Peck, Planning Services Manager

Dear Mr Peck,

Reference: AWDM/0208/19

Front single storey annexe studio extension and single storey rear extension
13, Annington Gardens, Shoreham by Sea, West Sussex.
BN43 5GS

We write in connection with the above planning application. We have examined the plans and have concerns regarding the side single storey annexe studio extension.
We are OBJECTING this part of the extension until we

have assurances that provision is being made to ensure the ground stability and integrity of the boundary retaining wall. This wall is over 3 metres in height and is a retainer for our house/garden. The plans appear to require that the foundations will need to go under this wall and into our property. We require information of the impact of this upon our property, potential damage to our garden, trees and structures.

We hope that a visit from the Planning Department can be arranged to discuss our concerns.

Yours sincerely

Beverly and Alex Duff
