

Existing catchpit - Approx 2m deep, connected  
to existing manhole on Church Street, within  
church grounds, on the other side of flint wall

Existing manhole on Church Street (marked SW)  
- Survey conducted reveals presence of foul inlets  
from the houses on the right side of the road

New automatic doors to match existing like-for-like

Accessible push open control for  
automatic doors, mounted in timber post

New below ground foul drainage  
through foundations and connecting  
to existing drainage system

War  
Memorial

Block Plan  
1:200 | PROPOSED

This drawing is the copyright of  
Manorwood Construction Ltd but may  
be used for planning purposes by the  
Local Authority without breach of  
copyright.

Do not scale from this drawing unless  
for Local Authority planning purposes.

All dimensions must be checked on  
site prior to commencement of works.

Construction (Design and  
Management) Regulations 2015

This drawing is intended for Planning  
purposes only and as such does not  
highlight residual design related health  
and safety risks.

This information can be provided on  
request; however, it is anticipated that  
the full extent of residual risks will be  
identified during the detailed Building  
Regulations or construction design  
Status and prior to construction works  
commencing on site.

All responsibilities and duties of  
Principle Designer as stated within the  
above regulations now revert to the  
client unless Manorwood are appointed  
to undertake Building Regulations or  
construction drawings.
