Dear Eve Hearsey

I want to object to the amended planning application you have received and consequently notified me on. The property 2 Ashlings Way Shoreham-by-Sea BN43 6JT. It will not serve any purpose to the single storey side extension, all it will achieve is to restrict even more natural afternoon /evening light than the existing property has done so far.

as a matter of interest do the sliding doors facing our property have to have obscured glass in? as the rest of the house is supposed too.

Yours Sincerely

D Greer [redacted]
