Dear Mr Barnett,

DC/15/0926/RG/3

Thank you for the consultation request dated the 5th March 2015; I have reviewed the information supplied to Adur and Worthing Councils supplied by Mr Brendan Whelan. The application proposes the construction of a slipway and extension of a car park.

The proposed works will require a licence under Section 66 (7) of the Marine and Coastal Act 2009; this states that it is a licensable activity to:

'*To construct alter or improve any works within the UK marine licensing area either-*

(a) in or over the sea, or
(b) on or under the sea bed.'

Please advise the applicant a marine licence can be applied for through the Marine Licensing System using the following link:

Yours Sincerely

Angela
