Reasons for comment: - Trees and Landscaping

Comments: I support the felling of the sycamore tree.
It is very close to a neighbouring Gingko tree and so the felling will not leave a big gap.
It is interfering with the shape of the Gingko.
It is very close to a telegraph pole and is interfering with (and gradually damaging) multiple phone lines which emanate from the telegraph pole.
It is restricting some daylight to several properties.
Besides the above points, it doesn't look in very good health anyway.

Kind regards
