Subject: OBJECTION to Durrington Tesco - 5D Mast

To: <gary.peck@adur-worthing.gov.uk>

I should like to register my objection to a 5D mast being erected in a place frequented by so many people - shoppers, community centre attendees, business people, children, as well as those living in the area.

These are unsightly objects, as well as being very dangerous to general health. It is difficult to conjure up a sane, honest reason for erecting a dangerous mast in such a position.
