Dear Cllr Ford,

I wish to submit my opposition to the above proposal for the mast at Durrington Tesco site. I have attempted to do this online but it has not worked due to server problems. I shall be brief but my deep concerns, as a resident of the area who has an implant, are not only of the well documented health issues but of visual and aesthetic considerations alongside the disputed improvement in connectivity.

Thankyou for your attention in reading this, sincerely M. E-Jones
