Hi Peter
I am off on holiday tonight and will not be able to send you a formal response until my return on the 09th July 2013.
However if it helps:

- From a crime prevention viewpoint this should not have a detrimental effect to the alleyway and te residents as there are lighting columns at one end and in the footpath itself.
- It may become a problem should number 49 decide to claim back the gardens as these 4 have and narrow it even further.
- There is a another alleyway to the east whichjoins this and is narrow and of similar dimensions which is not causing problems or we would have heard about it.

I do not see a problem with this.
I will send you a formal response upon my return.
Phill
