PLANNING SERVICES

12th August 2015

Dear Sir,

Ref: AWDM/1104/15

I am writing to comment on the above proposal. Our properties are attached. My house is mid-terrace & the back of the properties have a North aspect. I would appreciate the below comments to be taken into consideration:

i) My kitchen window is approximately 60CM from the dividing fence & I believe the extension will be quite close to this fence.

ii) The planned proposal will be approximately 85CM above the already 2 Metre fence & will directly diminish the light in my kitchen, conservatory &

garden.

iii) It will be approximately 1.21M, longer than my conservatory & therefore once again impinge on existing light I get in my small, just over 7 Metre, garden.

iv) The garden next door I believe is slightly higher than mine, so the extension may encroach even more on my light.

Thank you once again for your consideration in this matter.

Yours faithfully
