Dear Sir / Madam , I spoke to Emily about the online comments form i had filled in (twice) & still get error after submitting .

Ref PP-14795486 The Gardeners Arms , West street , Sompting

My wife and I have been using the pub for over 45years . We have been to many functions & made many friends there . This is the only pub left in Sompting village & is in walking distance . It has always been a central part of the village .
