Comments Details

Commenter Type:	Parish Council
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	This application was reviewed and discussed by the LPC Planning Committee on the 22nd of April 2026, where it was resolved to support the application. However, Members raised the issue of whether the applicant was able to undertake the proposed extension, on the grounds that there was normally a condition served by the developer relating to a period where no works could be undertaken as the property was a new build.
