Dear Sir or Madam,

APPLICATION FOR A NON-MATERIAL AMENDMENT TO PREVIOUS APPROVED AWDM/1093/17. AMENDMENT: MINOR INCREASE TO THE APPLICATION SITE TO FACILITATE ACCESS IMPROVEMENT WORKS.

SHOREHAM AIRPORT, CECIL PASHLEY WAY, SHOREHAM (BRIGHTON CITY) AIRPORT, LANCING, WEST SUSSEX, BN43 5FF.

Thank you for consulting us in regard to the above application for a non-material amendment.

We note that the submitted Environmental Statement Addendum (included within the letter dated 19 July 2021 by the Pegasus Group) states under the heading 'Water Resources':

"Whilst the NMA works would result in further areas of hard surfacing, on the basis of their limited extent, the proposed mitigation would be more than adequate to cater for any impacts. As such, the minor works proposed by the NMA will have no further impacts on water resources."

It would be helpful if the Applicant could quantify the amount of additional hard standing and provide information to demonstrate how this will be accommodated within the existing flood mitigation strategy.

Yours faithfully,

Miss Anna Rabone
