Dear Mr Gander

With reference to the above application, I do have a concern that the doors to the breakfast room will open towards the adjoining property at the narrowest point and may cause some disturbance and overlooking. I consider that, in order to be more neighbourly, the position of the doors should be swapped with the window on the front (east) of the extension where they would face a blank wall and would have less of an impact on the adjoining occupiers.

I shall be grateful if you would submit an amended drawing by 22 December at the latest.

Yours faithfully

Peter Barnett
