Dear Sirs,

Planning Application ADC/0408/09 ~~132 Beach Green,~~ Shoreham Beach

This application relates to a premises at a very busy corner in a residential area of the ward. There is inadequate parking for vehicles already without additional customers to a restaurant/take away, particularly in the evening.

As this is a residential area noise from a late night opening establishment will not be acceptable.

I have no experience of the cooking methods proposed but find it difficult to believe that there will be no problems in the flats above and hope the environmental experts will investigate this aspect thoroughly.

I hope the planning committee will take the above into consideration.
