Commenter Type:	Neighbour
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	- Highway Access and Parking
Comments:	In response to Katie Kureks requests for clarification : The existing driveway can house 2 cars, which it does regularly.The new dwelling would inherit this driveway, hence have parking for 2 cars. No 68 has enough space to replicate the driveway at no 66. To clarify, both Houses would have their own driveways.
