Comments Details

Commenter Type:	Neighbour
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	- Privacy Light and Noise
Comments:	My wife Jackie Margarson and I are the owners of the house next door on the north side, which is called Boathouse, Shopsdam Road. We are affected by this application to the extent that our garden is overlooked by The Old Lifeboat House, and the

proposed first floor development will mean that our garden is overlooked from a higher vantage point, and so overlooked to a greater extent. However this change is of minimal consequence to us and we support the planning application.

Kind regards
