Commenter Type:	Councillor
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	Shoreham Beach Residents' Association, which I chair, raises no objection to this application and supports the applicant. Ferry Road's success and commercial viability is considered vital to community life and it is a hub at the centre of the Beach - directly opposite the Adur Ferry Bridge. Therefore the continued presence of shops/business/cafes and restaurants is very much supported.
