Customer objects to the Planning Application.

Comments:
It is in appropriate for the High Street to have an all night food outlet/takeaway.
It will become a place for groups of people to collect late at night, probably after the pubs have closed.
It will lead to greater noise levels in the immediate area and in the surrounding streets as people walk home. The area is usually quiet late at night.
It could lead to an increase of rubbish being thrown away at the location or in the streets.
I think for the above reasons it is inappropriate to extend the opening hours.
