Dear Mr Morgan,

Re: ADC/0376/09 - 72, High Street Shoreham by Sea

I wish to object strongly to this application to extend the opening hours of the premises at 72 High Street, trading as Posh Nosh.

I live opposite Posh Nosh, which is the singular major and most frequent source of late night disturbances and anti-social behaviour in the High Street.

Your letter states that Posh Nosh wishes to change its hours of trading from 9am until 11pm to 24 hours. This was a surprise to me as the premises, especially on Friday and Saturday nights in summer, are often open until 2.30am.

The problem is that when late-opening pubs and bars such as the Crown and Anchor close at 1am, their rowdy, drunk clientele head for Posh Nosh for late night snacks. They congregate on the pavement outside and sit on chairs provided by the café. They are loud and boisterous, occasionally violent and abusive towards each other, and also sometimes vandalise the street furniture and shrubs.

They are also known to run, lie down and urinate in the street, causing a hazard for road traffic and a general public nuisance.

Posh Nosh has no security aides on the door and from observation makes no attempt to curb the behaviour of its clientele.

The noise and disturbance caused by Posh Nosh and its clientele are totally unacceptable in such a confined residential area.

Yours sincerely,

[redacted]

A D Jackson
