re ADC/0376/09.

Dear Sir,

Please be kind enough to register my strongest objection to the request for Twenty-four hour opening for the following reasons.

a. The noise and general nuisance that would be caused by inconsiderate customers.

b. Parking

c. Headlights for vehicles and taxis

d. The existing cooking smells would be increased.

e. The rubbish problem would be exacerbated. (litter)

The West end of the High Street is saturated with existing establishments and there is certainly no call for further outlets.

I and many of my neighbours object to the application and we request that the submission be refused.
