Stance: Customer made comments in support of the Planning Application

Reasons for comment: - Trees and Landscaping

Comments: My brother lives at 31 Albert Road. I also lived there when this tree was planted over 50 years ago by Southwick Urban District Council. An Ash tree within a few feet of a private house was as ridiculous then as it would be now. The current council should pay for the repairs that have since, and are being incurred to properties, by this ludicrous planting. I fully support the felling and clearing of the damaging roots.
