To: Stephen Cantwell <stephen.cantwell@adur-worthing.gov.uk>, Samuel Theodoridi

Hello all,

Just to confirm, the external cladding will be as existing – Timber boarding painted white with a band at the bottom all matching existing.

Kind regards

Brian

Thank you Sam

Hi Brian
As the current application refers to grey cladding, please can you, as planning agent for the case in liaison with Carol and Pete, say formally what the materials will be - as Cllr Theodoridi says:

Wood, largely painted white, with the exception of the very bottom which will be painted green.

Thank you.

Hi Stephen,

I've just confirmed that the plan is to clad the extension to match the existing building, which means wood, largely painted white, with the exception of the very bottom which will be painted green.

I've copied in Carol and Pete who will be speaking at the committee meeting on Wednesday in case there's anything from estates that the club need to be aware of in terms of notifications.

Many thanks,
