Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Other - Overdevelopment - Privacy Light and Noise
Comments:	In July 2019 Adur & Worthing Councils declared a climate emergency. Expanding the airport will make this worse and contribute to further climate change. The latest Climate Change Committee report to Parliament says there should be no more airport expansions. It will negatively impact thousands of residents of Shoreham, for the benefit of a few people who want to fly. It will create further noise pollution, air pollution, aviation fuel pollution, and disturbance to wildlife in the SSI area around the River Adur.
