Stance:	Customer objects to the Planning Application
Reasons for comment:	- Privacy Light and Noise
Comments:	Since the airport was taken over by the current owners, they have demonstrated total disregard for the neighbourhood in which they operate, increasing the number of jet flights and helicopter flights low over Shoreham and Lancing. Their activities should be curtailed not expanded. Indeed Grant Schapps, the former Chair of the All Party Parliamentary Group on General Aviation, wrote to the Planning Dept of Adur Council stating that since the building of the Monks Farm estate, it was no longer safe for the airport to operate. Logically they should be closed down. Yours sincerely, Rob Silverstone
