| Commenter Type: | Member of the Public |
| Stance: | Customer objects to the Planning Application |
| Reasons for comment: | - Other<br>- Overdevelopment |
| Comments: | Dear Gary Peck,<br>I understand that the proposed development of the airport will lead to an increased use, and potentially size, of private aircraft. This seems to contravene any declaration of the Climate Emergency we are in and yet will benefit only an elite few while imposing increased noise, pollution and carbon on us all.<br>Please reconsider the application.<br>Yours sincerely,<br>Joanna Peters |
