FROM:	WSCC – Highways Authority
DATE:	29 April 2025
LOCATION:	Site Of Hm Revenues And Customs And Land West Of Hm Revenues And Customs Barrington Road Worthing West Sussex
SUBJECT:	AWDM/0433/25 Construction an electricity substation with associated access road, infrastructure and works (west of Plot 63).
DATE OF SITE VISIT:	n/a
RECOMMENDATION:	Advice

The Local Highways Authority would not have any concerns with the proposed extension of access road 10 to include an electricity substation. The access road should remain as private and wouldn't be required for formal adoption under a Section 38 agreement which the rest of the site has entered into.
