Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Privacy Light and Noise - Trees and Landscaping
Comments:	The property owners have recently cut their bordering hedges by a good 5ft making many of our rooms on our easterly side of the property now visible to their occupants and windows causing a severe lack of privacy. We have also noticed a major increase in cars parking outside the property causing residents difficulty to now park down a road which previously had ample parking available.

We have contacted the owners and also the planning office already but have had no response.

Kind regards
