Good Morning All

Please find attached the necessary plans and the Householder application forms duly signed and completed for a ground floor extension to south and east elevations with balcony and steps down, and hip to gable end to west and east elevations with roof dormer to north and south elevations in respect of the above property for your consideration.

Please could you email the payment details/reference in order that the application fee of £206 can be paid. Thank you.

Regards

Paul Trussler
