SQUIRES PLANNING

AWDM/1536/22 - Replacement boundary wall and hedge planting

PLANTING SCHEDULE

This Planting Schedule has been prepared to support a part retrospective application (AWDM/1536/22) for '*Replacement boundary wall and hedge planting'* at 35 Falcon Close, Shoreham-by-sea, West Sussex, BN43 5HN.

The hedging has been planted and is a mix of native common ivy (Hedera Helix) and variegated ivy (Hedera Colchida), and is in total 11.03 metres long, separated at one point by the pedestrian gate.

Species	Quantity	Mix (%)	Density (/m²)	Age (years)	Size (m)
Common ivy	12	40%	0.92m²	3	1
Variegated ivy	18	60%	0.61m²	3	1

The hedgerow has been planted and once mature, it will be maintained at a height of at least 1.8m.
